

# Continuing Education That Enhances Daily Pharmacy Practice

**Join 100,000+ Pharmacy Professionals**

Transform required Pharmacy CE into practice-focused results. Our **Pharmacist By Design™** courses help Pharmacists learn with purpose.

## **CEimpact: Built for Pharmacist's Continuing Education Journey**

CEimpact isn't just about checking boxes. **Pharmacist By Design™** delivers career-focused, pharmacy-specific continuing education created by pharmacy professionals, for pharmacy professionals.

## **With 30+ years of hands-on experience, our team helps Pharmacists:**

- Build clinical confidence to serve their patients.
- Stay ahead with timely, relevant updates to educate their patients.
- Gain a competitive edge to guide their patients.

## **CEimpact training is tailored to real-world pharmacy practice.**

- No jargon or wasted time.
- Just relevant, credible training.

## **Pharmacist CE Goals, Covered:**

### **Maintain Licensure with Confidence:**

Secure their pharmacist license renewal on time, every time—meeting CE requirements without unnecessary stress, so they can focus on their practice.

### **Advance with Up-to-Date Knowledge:**

Stay at the forefront of pharmacy practice with the latest clinical guidelines, new drug approvals, and specialty medication insights to keep their skills sharp and competitive.

### **Elevate Their Impact in Patient Care:**

Strengthen their expertise to provide safe, effective, compassionate care—building trust with patients, healthcare teams, and the community.

### **Invest Wisely in Their Professional Growth:**

Select CE opportunities that deliver maximum career value, enhance a professional portfolio, and fit their budget.
